

GYM NEARS COMPLETION

GUESS WHAT?
Part of gym as viewed from school building.

SOUTH WALL
In three months, bleachers.

PATRICO, KARL, HICKS
A few of the workers on the gym.

Workmen Tell Progress

Students of St. Anthony have watched the gym slowly but definitely take shape. From a hole in the ground it has grown to the impressive structure it is now.

"It looks as though the building will be finished on schedule," says Robert Gray, superintendent, "that is, if there is not too much difficulty in getting material."

"This has been an interesting job," recalls James Hicks, foreman. "But I guess the most in-

teresting part was putting up the trusses. (Those are the timbers that support the roof). They were made to order in Oregon, and if the brick beams had been off just a little, the trusses would not have fit."

According to Mr. Hicks, the longest job was the masonry work.

Bricklayer Robert Karl estimates 90,000 bricks, excluding cement blocks, were used in the gym.

School Superintendent Officiates At Laying of Cornerstone

"May our future hope for the uplift and entertainment of youth be fulfilled in our new gym." This comment by the Rev. Joseph Raible, pastor, sums up the importance of a dream that is about to be completed.

On October 3 the cornerstone was laid, bringing closer the opening of the long-awaited St. Anthony Parish gymnasium.

The Rt. Rev. Carroll F. Deady, superintendent of parochial schools, officiated at the ceremonies which were attended by Father Raible, priests of the parish, the faculty, Coach John Shada, Architect Stanley Rozyski, several members of the parish, and students.

Enclosed in the 200-pound cornerstone is a copper box containing a prayer to Our Lady and several saints for protection, several documents, signatures of the faculty and students, and other articles of importance.

Msgr. Deady placed the box in the stone, and the priests, aided by the workmen, set the stone in place. Inscribed on the outside of the marble cornerstone is the date, 1955 A.D., and a cross.

Mrs. Clara Schuster, parishioner for approximately seventy years, expresses, "I have seen the cornerstones laid for the church and both schools, so it is a real thrill seeing the stone laid for the gym."

MSGR. C. F. DEADY addresses the crowd at the cornerstone laying, October 3.

Folk Singer To Perform

Earle Spicer, noted baritone singer, will give a performance here at St. Anthony on Tuesday, November 15.

Having sung at such colleges and universities as Notre Dame, Cornell, Penn State, and the U. S. Military Academy, Mr. Spicer specializes in traditional English and American ballads.

Among the songs included in his repertoire are, "Lord Randal", "When I Was A Lord", "The Erie Canal", and "John Henry."

Mr. Spicer accompanies himself on the piano in such selections as "Greensleeves" and "Barbara Allen."

Student Drowns In Lake St. Clair

Herbert Spoutz, 15-year-old junior, drowned July 6 off McDonald's Island in Lake St. Clair.

While pinicking with about 25 members of St. Basil Parish, Spoutz and Marjorie Allard, a friend, attempted to swim from one dock to another a short distance away. Both went under.

Miss Allard was rescued by Russell Whitehead, 11, who was unable to save Spoutz.

Spoutz, son of Mr. and Mrs. Edward Spoutz, came to St. Anthony from St. Veronica Elementary School, East Detroit.

'Cindy' Prybys

Alumna Merits Scholarship

Cynthia Prybys, '55 graduate and former editor of The Prelude, was awarded a four-year scholarship by the Student Aid Foundation because of her exceptional

achievements and high intelligence.

The scholarship entitles her to four full years at the University of Detroit if she is able to maintain high grades each year. Miss Prybys is an English major in the College of Arts and Sciences.

One of the two hundred students from Detroit high schools who took the examination, she had been recommended to the Foundation by the Rt. Rev. Carroll F. Deady, superintendent of parochial schools.

Miss Prybys, oldest in a family of eight, was Prelude editor for one and a half years.

During the summer Miss Prybys received word that her story, "The Threshold," took first prize in the short story division of the Catholic School Press Association's annual writing contest.

She is the only one from St. Anthony ever to receive a scholarship from the Student Aid Foundation.

Problem Solved

"... but what about the third page?" wailed the news editor, "I haven't got a thing on it!"

"Wait—I've got it," she cried as she threw open the press room window. "FLASH: Disgusted News Editor Leaps to Death."

"What?" roared the feature editor. "And throw off my whole front page?"

A brain wave came from the editor. "Disgusted News Editor Leaps to Death ... on New Gym."

Alumni to Meet

Alumni of St. Anthony will make their first organizational move Monday evening, Oct. 17.

Members of the planning committee, chosen by those interested in forming the association, will meet at 7:30 p.m.

On the Wing

Oct. 21—"Goblins and Ghosts"
Oct. 28—Holy Name Crowning of Christ the King
Nov. 1—All Saints

Consider Now

HAVE YOU EVER wondered just exactly what you are doing with your life?

"What am I doing with my life?" you laugh. "I haven't even started my life yet. I'm not even out of school."

But think about it for a moment. Isn't school preparing you for what lies ahead? Isn't it giving you the knowledge that will be so essential after graduation? Sure it is. You've heard it time and time again from grade school on up. The girl who uses her study period to manicure her nails has heard it, the boy who thinks the Latin language was started just to give him time to catch 40 winks while taking a course in it has, and also the funny man who makes like Red Skelton during English.

If they realize the importance of school why is it that they take such a "who cares, anyway?" attitude? So maybe they have delusions of droves of employers waiting to match up any young hopeful with a piece of paper certifying that so-and-so has graduated from high school.

Of course these foolish mortals could go on dreaming until they are slapped in the face by reality, but it would be much simpler if they heeded the old adage that "a word to the wise is sufficient" and used this time of learning as it should be used so that the future generation will be one all can be proud of.

Go, Tony's!

CONGRATULATIONS are in order to the Teuton squad on their teamwork and perseverance. Despite a rough time with the Servite team, SAH players came back determined to win the football title.

The next few games, we are sure, will show the reward of such determination.

Gardener's Guide

FIRST PLANT five rows of peas:

Presence
Promptness
Preparation
Perseverance
Purity

Next, three rows of squash:

Squash gossip
Squash indifference
Squash criticism

Then five rows of lettuce:

Let us be faithful to duty
Let us be unselfish
Let us be loyal
Let us be true to our obligations

Let us love one another

Beans can add flavor to your garden:

Be in God's grace
Be in everybody's favor
Be in as many worthwhile activities as possible

No garden is complete without turnips:

Turn up for important meetings
Turn up with a smile
Turn up with new ideas
Turn up with determination to make everything count for something good and worthwhile!

—Ke Kahuku Hi, Kahuku, Hawaii,
High School

The Prelude

to great things for God and country.

—D. A. Lord, S. J.

The Prelude is published monthly October to February (excepting January), bi-monthly March-April and May-June by the students of St. Anthony High School. Editorial offices: 5206 Field Avenue, Detroit 13, Michigan. Subscription \$1.50 per year.

Entered as second class matter at the U.S. Post Office, Detroit, Michigan. The Prelude is a member of The National Scholastic Press Association and The Catholic School Press Ass'n.

'Take the Bull by the Horns'

Joe Crewcut.

Queries J. Calandro:

'Are You a Roller, Chopper, or Slurper?'

As a student of the fine art of eating, I have long been fascinated by the methods and styles of eating spaghetti. After making a long and highly scientific survey, during which I often used myself as a guinea pig, I have come to the conclusion that there are three different kinds of spaghetti-eaters: the roller, the chopper, and the slurper.

The roller usually has a rather large oral cavity—in other words, a big mouth. He digs deep into a pile of spaghetti and begins to roll—and roll—and roll. When he has amassed a huge spool, the roller proceeds to lift the fork to his mouth (it sometimes takes two hands) and let the spaghetti slide down with appropriate sounds.

The chopper is a special joy to

watch. He cuts each strand into tiny, minute, pieces hardly visible to the naked eye. This is a very intricate and complex process, guaranteed to fascinate aspiring biologists. The chopper usually hates spaghetti but loves the exercise.

The third type of spaghetti-eater is the slurper. The slurper is a gay blade and considers the actions of the roller and the

chopper as entailing too much effort. His method is by far the easiest. The slurper inserts the end of a spaghetti in his mouth and with a long and noisy inhalation slowly causes the strand to disappear before one's eyes.

I hope this profound and scientific study will help all those who read it to understand their fellow man a little better.

Meet 'the Kids'

• ANDREA YOUNG
• JOHN GRACKI

• JERRY JASZCZ
• TINA CICILLINI

To score at least one touchdown this season is the goal of Jerry Jaszcz, 17-year-old Student Council president

This friendly jazz fan who wants this year to be most remembered at St. Anthony, has a plaid lid, a swell dad, and two sisters among his favorite possessions.

He enjoys listening to records, especially "Rock Around the Clock," and eating czar-nina (duck's blood soup).

If lunch periods were not disturbed, everybody was happy, and people knocked before entering, Jerry would be satisfied.

Jerry

Andrea

As vice president of the Student Council, red-haired Andrea Young is busy but she still finds time in between for dancing, one of her favorite activities, reading, and cooking.

Music from jazz to classics appeals to this friendly senior, and if she had a chosen profession, it would be in the field of art.

She displayed her acting ability last year in the one-act "Command Performance", and has also had modeling experience.

Tina Cicillini, Student Council representative and member of the Sodality, has the distinction of being the only girl in this year's drafting class.

She has many possessions, among which are a boy scout knife, a desk pen, and a borrowed bula-bula.

This 15-year-old junior with naturally curly hair and a naturally warm smile likes Benny Goodman and boys who wear glasses.

Having a sense of humor of her own, she also likes others to have one.

A scholarship to Loyola University and another trip to the SSCA are two of her greatest desires.

Tina

This 15-year-old sophomore, who is treasurer of the Student Council, is John Gracki.

His future plans include the study of engineering at the University of Detroit and later joining the automotive industry.

John especially likes to play pinochle in Uncle Tom's Cabin (his homeroom, 117), but his major interests are girls and dancing.

Being a Yankee fan, John was sorry the Dodgers won the series. His prediction as to how far the Teutons will go this season is City Championship.

Gracki thinks all girls should look like Elizabeth Taylor even though he likes Kim Novack, too.

This cheery guy with the blond crewcut would like to own a car and have dark hair.

John

—Hemmen Photos

Condolences

Lord, have mercy on all the souls of the faithful departed and especially on:

Herbert Spoutz; the father of Helen Squillace; the mothers of Suzanne Lieder and Kenneth Bishop; the grandmothers of Germaine Brennan and Frances Hemmen; and the sister of Kathleen Feeney.

Societies Form Council

Activities here at St. Anthony are many and varied due to the planning of the various organizations.

The Student Council, the CSMC, the Sodality, the Future Nurses, the Holy Name and the Music Club have joined together to form a School Council composed of the president and vice president of these organizations.

This School Council was begun primarily for the purpose of promoting and planning the recreational activities for the student body.

Three dances were planned for the council for this year. The first, Autumn Leaves, was held October 1. Another is being planned for Oct. 21. Each organization is responsible for one duty concerning the dance, such as decorating or publicity.

However, each of these clubs has its own specific purpose.

THE STUDENT COUNCIL is an organization of students elected by students to serve as their official representatives in all matters of concern to the entire school. Installation of the officers for this year, Jerry Jaszcz, president; Andrea Young vice president; Joanne Shubnell, secretary; and John Gracki, treasurer, took place September 23 over the public address system.

Its undertakings so far have included the selling of book covers, participation in the School Council dances, and a campaign to promote school spirit. Under consideration are a barbershop quartet contest and perhaps a

ping-pong contest to be held later this year.

THE CSMC, or Catholic Students Mission Crusade, is organized for the purpose of arousing student interest in home and foreign missions. In the past it has sponsored the Christmas seals and card drives, the homeroom mission drives, paper drives, etc.

Plans for this year include those of the past as well as the selling of magazine subscriptions for the benefit of the missions, the making of doll dresses and other clothing for orphans

by the sewing committee, and through the pen pal committee helping SAH students become acquainted with students of other countries.

Officers are: Sharon Piper, president; Angelo Magnoli, vice president; Don Trappe, secretary; and Pat Koch, treasurer.

THE SODALITY OF OUR LADY is organized for the spiritual and apostolic betterment of our Catholic students. It has taken care of most spiritual and some recreational activities of the school in the past. The Living Rosary

on October 7 was one of the activities planned for this year.

Sister Mary Cordula, moderator, says other plans are being made at Sodality Council meetings held every other Sunday at 11 a.m. At recent elections these officers were chosen: Bob Gherardini, prefect; Maxine Andrews, vice prefect; Janet Gaynor, secretary; and Joan Gillam, treasurer.

THE FUTURE NURSES CLUB is organized for the benefit of those considering nursing as a career. At "open houses" in hospitals offering nursing courses, the girls have an opportunity to observe and compare the various courses and schools.

Activities for this year, as in the past, include visiting the sick, providing Christmas gifts and Easter baskets for orphans, pantry showers for the Sisters, and other such charitable practices. Officers are: Mary Ann Gerhard, president; Carol Golee, secretary; and Beatrice Koerber, treasurer.

THE MUSIC CLUB, just recently begun, is open to Chorus or Girls' Glee Club members who wish to form quartets or trios for the purpose of receiving a music symbol. The club, as of yet, has not elected officers nor has it made any special plans for the year.

THE HOLY NAME SOCIETY is an organization devoted to the reverencing of the name of Jesus. It promotes Holy Communion Sundays monthly.

Faculty Changes Effected

Five new members have been added to the SAH faculty. Sister M. Colman, junior English instructor, formerly taught in Laurium, Michigan.

Sister M. Cordula, Sodality moderator and frosh homeroom teacher, came from Marshfield, Wisconsin.

Chicago, Illinois is the previous residence of Sister M. Lauren, commerce teacher. Frosh English is being taught by Sister M. Pacifica, formerly of St. Hedwig in Milwaukee. Mr. Thomas Urbin '46, now teaching plane geometry, was in Colorado last year.

Those faculty members transferred were: Sister Mary Roman, to Mount Mary College in Milwaukee; Sister M. Madeleva and Sister M. Faustine, to the Academy of Our Lady, Chicago; and Sister M. Agnola, to West Catholic Central in Grand Rapids.

Mr. J. Vinette has temporarily stopped teaching.

Living Rosary Honors Feast

The annual Living Rosary sponsored by the Sodality of Our Lady took place on Friday, October 7, the feast of the Most Holy Rosary.

Carnations representing the colors of each mission country were carried by senior girls who participated as the beads of the rosary.

Varsity football players made up the Cross, and Our Fathers.

Benediction led by the Rev. Joseph Raible, C.P.P.S., followed. Hymns were sung by the Chorus and the Girls' Glee Club.

CO-CAPTAIN BENN GAIONI crowns Queen Carol Thomas. John Wise holds roses later distributed to court members.

Carol Thomas Reigns Queen of Homecoming

Petite Carol Thomas, senior, smiled as the crown proclaiming her Homecoming Queen was placed on her head by John Wise and Ben Gaioni, co-captains of the football team.

The ceremony took place at Mack Park during the half time of the St. Anthony-St. Ambrose game, Oct. 2.

When asked how her parents felt about it, she stated, "I think my mother was more excited than I was."

As for herself she said, "It was really swell. Even better than I expected." And to the future Homecoming Queens, Carol advised "Be prepared for anything."

Carol Daudlin, Sharon Piper, Angell DiMeglio and Maureen Doherty were the members of her court.

THE WORLD...

- ★ Ike
- ★ Peron
- ★ Stock Market
- ★ Auto Safety
- ★ Third Expressway
- ★ Ford-Lodge Interchange

—GEORGE BLANCHARD—

The unanimous shock which swept the country late last month was due to the sudden heart attack suffered by President Eisenhower. At last report he was described as being in excellent condition. Today, by the way, is his birthday.

Conservative sources in Argentina predict a steadier government ahead due to the abdication of Juan Peron, long-time dictator of that country.

Due to the sudden illness of President Eisenhower the stock market fell on Sept. 26 to a low surpassed only by that of the depression of 1929.

Automobile manufacturers soon will embark on campaigns stressing safety rather than horse power for their '56 models. Listed among the improved features for '56 are safety-latched doors, safety belts, recessed steering wheels, and padded dash panels.

Construction will start next summer on Detroit's third expressway. The route will be chosen next month and the complete cost will be in the vicinity of \$85,000,000.

Tuesday, Oct. 11, dedication ceremonies were held for the Edsel Ford-John Lodge expressway interchange. The \$10,000,000 interchange went into complete operation at 10:30 a.m. that day.

SSCA Draws 12 Sodalists

"The week of the SSCA is one I will never forget, both for its spiritual and social values."

This is the way Cathy Kulka, junior, expressed her feelings about the trip to the Chicago Summer School of Catholic Action, held at the Morrison Hotel during the first week of September.

What is the SSCA? It is six days in which are combined elements of an education, a retreat, and a vacation. There are courses of instruction, inspiration for fuller Catholic living, wholesome recreation, and the companionship of new friends.

The courses are conducted by nationally known teachers, both religious and secular. Prominent among these teachers were the Rev. Francis Drolet and the Rev. John J. Campbell. Students at the SSCA also had the great privilege of hearing His Eminence Samuel Cardinal Stritch, Archbishop of Chicago.

Other members of St. Anthony who went to the summer school were enthusiastic about its values.

Mary Jamens, junior, remarked, "The SSCA was a true picture of Catholic action by teenagers."

"An exciting experience both spiritually and socially," is the way Sharon Piper, senior, describes it.

Repeat Rapidly

The Prelude will award its special Peter Piper pin to any student who can articulately say "toy boat" ten times within five seconds.

Anyone who successfully accomplishes this task, please notify the editor.

readin' ritin' rithmetic

By JUDY MEYERS

Turnover

Second-year shorthand students—look out before it happens to you. One girl can't read her own shorthand when it's right-side up, but it seems Sister Constance reads it up-side down.

Repeat

Nine members of the speech class will enter the TB oratorical contest this year. Last year two students from this class won awards. Any winners this year?

Gay Jazz

A stranger passing Room 216 at the eighth period might wonder what kind of classes this school has. Possibly, Sister Constance would be standing in front of the room calling "Swing it! Swing it!" Sister is only referring to the way Shorthand I students should write their work, but who'd ever guess it???

On Sale

Members of Sister M. Colman's English III class have to "sell" fellow classmates on essays they write. They have to make their essays sound so interesting that other students will want to read them.

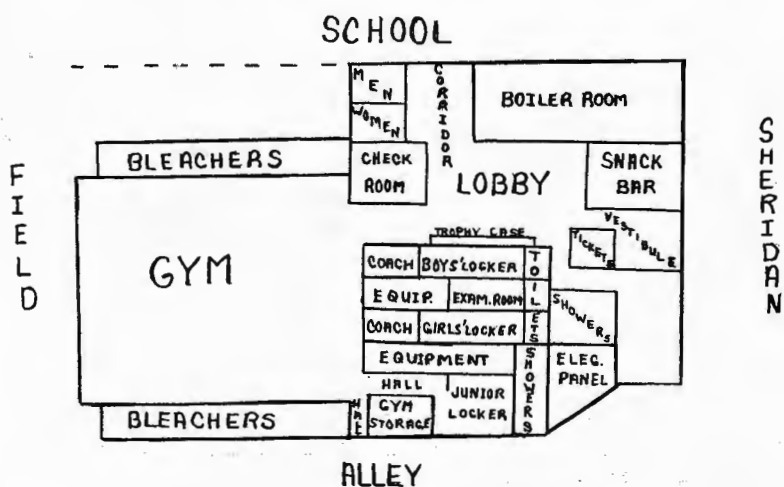

Fish, Fowl, and ?

A new aquarium has been added to the biology lab this year. Also, to whom it may concern, "Pretty boy" is back, but no one has heard from "Elmo" yet.

Biometry

The difference of opinion between geometry and biology students continues. To bisect or dissect is the question.

Gym Diagram

TEUTON ELEVEN LEADS LEAGUE

Friday's Victory over St. Florian Clinches East Side Catholic Title

With two games to go before the East Side Championship is settled, St. Anthony's Teutons lead the league with a record of three wins, one 0-0 tie (with Servite).

St. Ladislaus and St. Charles are yet to be met by the team which has beaten St. Kate 25-0, St. Ambrose 34-13, and St. Florian 31-6.

In their first game after losing 19 members from last year's East Side Championship team, the Teutons marched over the fired-up St. Catherine squad, 25-0, in the annual battle for the derby which has served as trophy since St. Anthony ex-pastor, the Rev. Henry Post, C.P.P.S., tossed it up at a

Teuton victory over St. Catherine years ago.

It took the Teutons only two minutes to jump into the lead on a 40-yard dash by John Wise. Shortly afterwards, Wise tallied again on another long run to make the score 13-0.

Not satisfied with such a small margin, Joe Vargo sprinted twelve yards to pay dirt and his first touchdown of the season.

Before the first half ended, Wise had shown his versatility by tossing a 25-yard touchdown pass to Dick Patterson, playing his first game as a varsity member, to boost the score to a secure 25-0.

In the last half of the game the

second team took over but failed to score.

St. Tony's and Servite alternately pushed each other up and down the muddy De La Salle field to establish a final score of 0-0, September 23. For the first time since '50 St. Anthony played a game without hitting paydirt.

A final toll of yardage showed that the Teutons were on top by 40 yards. In case of a toss-up between Servite and St. Anthony, the yardage records would be the deciding factor as to the East Side Champs.

St. Tony's will be lowered in the state rating as a result of the tie, but as far as the Catholic East Side Division goes, the game was as good as a win.

St. Tony's rolled over St. Ambrose, 34-13, on the great running ability of Pat Hynes and John Wise. Hynes scored on 73 and 60-yard dashes. Wise made touchdowns on a 40-yard dash, a 20-yard pass from Ed Peck, and a 2-yard dive.

St. Florian also fell under the powerful Teutons 31-6. Again Hynes and Wise did the scoring for St. Tony's. Hynes tallied on runs of 60 and 40 yards while Wise sprinted for td's of 65, 58 and 2 yards.

Butterflies

If you have ever waited for something special to happen, you know how a football player feels before his big game.

About four hours before the game he starts to get a little jittery and nervous. This is commonly known as "butterflies." As the time before the game dwindles, the tension and nervousness mount. During the bus ride to the stadium the ball player is usually thinking seriously about the game but by the second or third play his anxiety has left him and all he has in his mind are thoughts of victory.

If the team is fortunate enough to win, there are cheers and congratulations for all, but if the team is defeated the cheerfulness is lacking and all thoughts are turned to the next week's game and hopes of a victory.

SPORTS

Game Cheers Led by 16

Members on the SAH cheering squad this year are: Patricia Garant, Muriel Forget, Jeanette Moeller, Mary Ann Gerhard, Alta Mobley, Marcia Shubnell, Maureen Doherty, Lorraine Klebba, Angell De Meglio, Barbara Fisher, Sharon Tabacci, Linda Gogoleski, Joann Lesmeister, Dolores Rozgowski, and Pat Vocke. Manager of the girls is Carol Meyers.

The girls have presented new cheers to the SAH cheering section at the recent games and pep rallies.

Maroon colutties with white tops compose the outfits worn by the cheerleaders.

—Nowak
CHEERLEADERS Joanne Lesmeister and Muriel Forget.

Oarsmen Take Regatta Wins

St. Anthony oarsmen, rowing for the Detroit Rowing Club, invaded Ecorse last summer to take trophies in both main events, the heavy and light senior eights, at the annual regatta.

In the same event, the DRC's junior heavy four was also running first ahead of the Detroit Boat Club at the half-way mark.

"We had 'em by a good length when the the going started getting rough," remarks No. 3 man, Tom Solosky. "Waves were splashing over the gunnels and before I knew it water was up to my ankles. After another ten strokes I knew our only chance to win was by swimming. I figured that that might prove rather difficult so I was content to hang on to the boat 'till we were rescued."

The Royal Canadian Henley Regatta held was entered by only four St. Anthony oarsmen. Jim Kredo, Tom Solosky, Ray Detloff, and Joe Myrtle placed second in the high school fours.

La Faive '53

Minor Leaguer Injures Leg

Dick LaFaive '53, minor league baseball player under contract to the New York Giants, is recuperating from a broken leg received in a June game.

The leg was injured when LaFaive, sliding into second base, crushed it beneath him. He was trying to break up a double play.

Besides the fractured bone, torn ligaments were suffered by the former SAH all-city quarterback.

Next season, LaFaive plans to play outfield on the St. Cloud, Minnesota, minor league baseball team. Last year he led the Georgia State League with a batting average of .400.

On the Ball

with PAT HYNES

WELCOME BACK to my corner, Miss and Mr. Teuton. We all (almost all, anyway) have moved up a grade since the last edition of The Prelude. Do you all feel a year older? Is the peach fuzz starting to come in a little thicker? Are you smater than you were a year ago? Most of your answers to these questions are negative, I'm sure.

I can't say that I feel much different than I did a year ago. Only instead of looking up at all the big seniors, I have to look down at all the little freshies. Freshies are getting smaller every year.

So much for an introduction. If I'm not mistaken, you're as anxious as I am to talk about our current football situation.

AT THIS WRITING, we Teutons have played St. Kate, Servite, St. Ambrose and St. Florian. Not being the type of gambler to buck the odds, I find my personal opinion as to the '55 East Side Champs is in co-ordination with that of the experts—St. Anthony, with little trouble

Outstanding in the St. Catherine game was Herr Teuton himself (meaning of course, Mr. Wise). The second and third stringers got their chance in the second half and did well, both on offense and defense. Soph Doug Aboud got away on a punt return to make the most sensational run of the game.

A Belle Isle "beach-party" followed the game.

The Servite-St. Tony game was a hard-fought contest. Ed Peck did a marvelous job of quarterbacking the team. Although this is his first year on the varsity, his lack of experience was not evident.

Roland Stevenson was out of action in the St. Ambrose game due to a sprained ankle that he acquired in the hard-fought Servite game. Through a very complicated process of switching positions Coach Shada managed to fill the right halfback slot satisfactorily.

The St. Ambrose and the St. Florian games were almost identical. Each game featured long runs, and the scores were almost the same too, 34-13 and 31-6.

A VICTORY NEXT WEEK against St. Ladislaus will almost cinch the East Side crown for Tony's. Lad's will by no means be a pushover though. A little bit of that detested and much-protected-against overconfidence might prove fatal next Sunday night. If the Teutons play the way they've done the first half of the season, though, I feel confident (not overconfident) that we'll come out on top by three touchdowns.

Teutons in Action Against St. Ambrose, Servite, St. Kate

—Hemmen
